1 APPLICATION

PRODUCT DESCRIPTION

Highly effective cleaning and disinfecting concentrate especially developed for problem-free removal of green growth (and similar natural contaminations) on treated and untreated wood surfaces, also out of scratches, grooves and indentations.

RECOMMENDED USE

Osmo Gard Clean is also ideal for garden furniture made of wood or synthetic materials. Also applicable for cladding made of stone (also gravestones), synthetic materials (check colourfastness), concrete, pebble-dashed concrete, Eternit etc.

INGREDIENTS

Liquid concentrate. 5-15 % cationic tensides, <5 % anionic tensides. Contains quaternary ammonium compounds (95 g/kg).

Detailed declaration of ingredients available upon request.

TECHNICAL DATA

Specific gravity: 0.99 g/cm³ at 20°C

Viscosity: 23 mPas

pH value: 7

STORAGE

Up to 5 years and longer if container is kept dry, closed tightly and stored at temperatures between 5 and 35°C. Do not expose to frost during transport!

SURFACE PREPARATION

Remove loose debris from the surface with a firm broom/hand broom, brush away coarse dirt.

METHODS OF APPLICATION

Depending on the level of growth, apply product directly or diluted with maximal 10 parts water with a brush, watering can or pump sprayer onto the dried surface. Do not rinse with water. The green growth will disappear by itself generally after 24 hours. (In case some growth is still present, repeat process.)

Only needs to be rinsed with water directly before surface is recoated e.g. with Osmo wood finishes.

CLEANING OF TOOLS

Immediately after use, with soap and water.

COVERAGE

1 litre covers approx. 30-100 m² for one application (depending on level of growth).

NOTE

Avoid direct contact with ornamental and farm plants.

CAUTION

Causes severe skin burns and eye damage. May be corrosive to metals. Very toxic to aquatic life with long lasting effects. Keep out of reach of children. If medical advice is needed, have product container or label at hand. Do not breathe spray. Wear protective gloves / eye protection. Avoid release to the environment. IF ON SKIN: Wash with plenty of water. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

Danger

NOTES ON BIOCIDES

Use biocides safely. Always read label and product information before use.

DISPOSAL

Dispose of leftover product and completely emptied packaging according to local official guidelines (waste code number 07 06 01). Only completely emptied cans can be recycled.
